

Correspondence for the students who have Food allergy

食物アレルギーを有するお子様への対応について

Greetings!

We would like to thank you for your understanding and cooperation to our school activities.

One of the Health issue concerning children is Food allergy disease. Since there is a potential for life-threatening, the Government came into force to create "Food allergy countermeasure Policy" to prevent Food allergy incident.

Our City officers and concerned personnel will unite and do our best to ensure the safety and secured school life. We came up with the Policy and Procedure as indicated below so please cooperate with understanding.

I. Basic Policy for Food allergy correspondence 食物アレルギー対応の基本方針**1. Safety is the first Priority 安全が最優先**

Priority when it comes to school life's correspondence is "Securing of safety". Therefore, Board of Education of Toyohashi City will correspond to it as shown in III. But please understand that it is not possible to meet each request.

2. Submission of 「学校生活管理指導表 Gakkou seikatsu kanri shidou hyou」 The School Life Guidance and Management Form 「学校生活管理指導表」の提出

"Gakkou seikatsu kanri shidou hyou"(or "Kanri shidouhyou") is indispensable for the safety of child at school. Doctor's diagnosis is written on this form and this will be the basis for the correspondence.

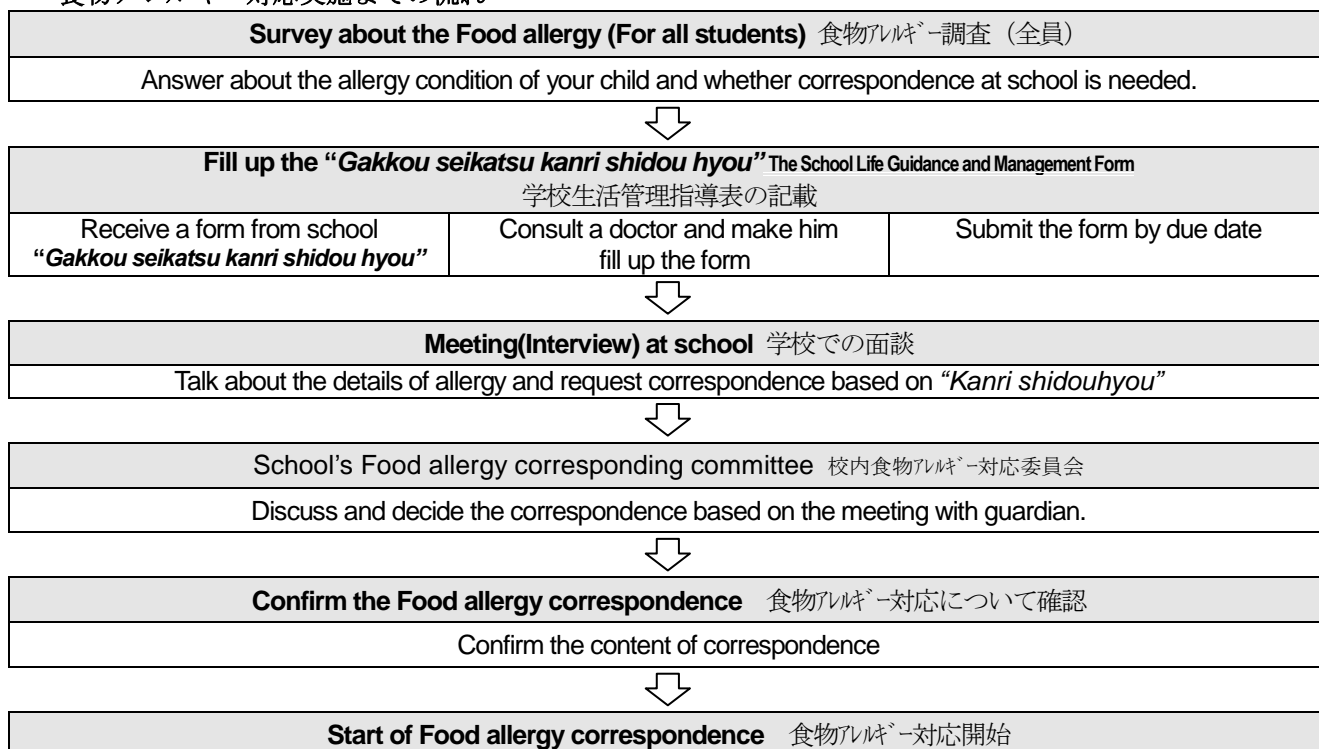

Consideration and management corresponding to Food allergy at school are performed based on "Kanri shidouhyou", **we strongly suggest you to submit it if you are worried about the food allergy.**

3. Interview(meeting) with guardian 保護者との面談

The School will set an interview with guardian based on "Kanri shidouhyou". Correspondence taken at school will be decided based on this interview and discussed afterward by "School's Food allergy corresponding committee". Guardian will be informed about the decided correspondence before it starts.
